

A Bible Guide for 2 Timothy

# Learning to Live the Bible

---

At Park Chapel, the mission is Connecting People to Jesus. One way we can Connect to Jesus is through His Word. We want everyone to learn to LIVE the Bible on a daily basis not just to LEARN about it on Sunday. We want to help you do that. We believe that if you spend just five minutes a day studying God's Word, He will change your life.

This guide is a tool for you to use over the next two months. You will interact with Scripture in different ways each day. We ask that you give five minutes each day and we promise that by the end of it you will be closer to living like Jesus. However, it will only help if you do it.

So right now, BEFORE you start:

**PRAISE** God that He gave us His Word.

**REPENT** for what has kept you from God's Word.

**ASK** for God to show you what you need to learn.

**YIELD** your life to whatever God is asking you to do.

Lastly, we want you to have fun as God changes your life. Share with your friends what you are learning. Go through this guide with others over a cup of coffee. However you decide to spend your five minutes each day, have fun doing it.
